

As of the 1st July 2023 we will be increasing our boarding and day boarding prices.

Due to the continued rise in the cost of living, everyday costs such as electric, gas, water, heating/cooling systems and staff salary increases we have again found it necessary to raise our prices, this is not a decision that has been taken lightly but, I'm afraid we have no choice.

As many of you know our premises and our land are second to none. We have 'playtime' paddocks that are used extensively throughout the day as well as our secure, off lead walking paddocks, used to allow the dogs in our care to be both physically and mentally stimulated. We are incredibly lucky to have so much outside free space.

We are expanding our training with support from Natalie, our fully qualified canine trainer, and we are currently in the planning stage of a stand-alone day care centre that will cater for our many day boarders and enable Natalie to increase her training data base to facilitate supporting many more dogs and their families to achieve happy, well rounded, responsive dogs.

I hope you understand the need for the increase in our pricing system and I will be more than happy to discuss any problems or issues any one may have due to the changes, please feel free to contact me, any time.

You can check our new rates by heading to our website and clicking on Tariff.

SOME GOOD NEWS...

For those customers who have already placed bookings during 2022 for boarding in 2023, will still be charged the 2022 price.

For bookings made from the 1st January 2023 to the 30th June 2023 the current price list will apply.

For those who book to board, from the 1st July 2023 onwards the new price increase will take effect accordingly.

Day boarding prices will increase from the 1st July to the new price, however as an added bonus any day boarders who attend the Kennels 16 or more times during any one calendar month will receive a 10% discount.

Anyone booking a block of 3 or more training sessions at one time will receive a 10% discount.

So, get booking folks!
