A clean environment is guaranteed at Stainthwaite Boarding Kennels. We give fresh water twice a day and top ups whenever your dog is feeling extra thirsty.

All kennels are disinfected twice a day using a pet friendly disinfectant, this tends to be softer on your pup's paws and keeps any unpleasant odours at bay, we use non-chemical deodoriser.

They also use our purpose-built grass paddocks where they can play with others or a member of staff and a ball and frisbee!

We tidy up our guests before they go back to their rooms if they're muddy and wet after their exercise
